THE RETREAT

Grounded luxury, *built of river stone.*

Seclude Palampur Two Stones is a four-bedroom rustic-luxury cottage two stone-throws from One Love — its quieter cousin, built from stones gathered out of the nearby riverbed and woven into the architecture itself. Earthy textures, gentle light and warm, social living and dining spaces open to mountain and field views; a fun-filled terrace catches the sunset as the Dhauladhars change colour. A Kangra Valley homestay made for families and small groups after a slower, simpler holiday.

River-stone walls, set against the Dhauladhars.
